WP(C) No. 19320 of 2007

Since learned Standing Counsel for the KSEB submitted that line proposed is only 25 meters of weather proof line, that too, over a pathway, petitioner obviously cannot have any grievance, WP(C) is closed recording the submission of the learned Standing Counsel, KSEB, with direction to the 2nd respondent to draw the line using weather proof cable through the pathway as stated. I make it clear that drawl of line over petitioner's property does not effect petitioner's right over the land if petitioner is the owner of the land in which the pathway exists.
